EDUCATION

B.Tech in Computer Science and Engineering
Dr. BR Ambedkar National Institute Of Technology

11/2020 - Present   *Jalandhar, Punjab*

10+2 in Non Medical
Dayanand Model School

04/2019 - 03/2020   *Model Town, Jalandhar*

PROJECTS

Chat Application | MERN/Socket.io
- Whatsapp Clone
- User authentication via Google Login
- Real time messaging and file sharing (such as images, PDFs etc.)
- Integrated HTTP requests from the frontend to the backend through APIs, enabling the efficient retrieval of data
- Implemented a privacy-focused 'Incognito Mode,' allowing users to have conversations with no chat history saved in the database
- Frontend Source Code
- Backend Source Code
- Live Website

Youtube Downloader | Python
- Python-based tool using libraries such as pytube, moviepy and yt_dlp, enabling users to download videos and audio from YouTube, including playlists and YouTube Shorts.
- Created a user-friendly command-line interface (CLI) using argparse for easy interaction.
- Source Code

Personal Portfolio Website | React.js/HTML/CSS
- Personal Portfolio using React.JS
- Responsive for all screen types
- Live Website

WORK EXPERIENCE

Technical Team Member
Gaming geeks

11/2022 - Present

Gaming geeks is an inter-college society responsible for organizing various gaming events online with thousands of students participating.

Blue Team Member
0-day Club

05/2023 - Present

Official Hacking Club of NITJ

SKILLS

C++   Python   HTML/CSS   Javascript

SQL   DSA   Linux   React.JS   Node.JS

ACHIEVEMENTS

Solved 500+ coding problems
Solved more than 500 problems across the platforms like leetcode, codechef, hackerrank and geeksforgeeks.

1600+ Rating on codechef

5 Stars in Problem Solving at Hackerrank
Earned a golden badge with 5 stars by solving multiple problem solving and algorithmic puzzles at Hackerrank.

CERTIFICATES

Certification in Elements Of AI (07/2020 - 09/2020)
Online Course - University of Helsinki

Introduction to SQL for BigQuery and Cloud SQL (05/2022 - 05/2022)
Google Cloud Training

Cyber Security Foundation Certification (04/2022 - 05/2022)
Online Course - Infosys Springboard
